How to gain your Green Blue Peter Badge:

The three steps

Choose your Power, Plastic and Plants Pledges. Keep doing the pledges for at least two weeks.

Choose a Power Pledge:

e.g. Turn off an electrical device when you are finished using it rather than leaving it on standby – this could be your games console, computer, tablet or television.

e.g. Switch half an hour of screen time for 30 minutes of outdoor time.

Choose a Plants Pledge:

e.g. Plant pollinator friendly plants to encourage bees and butterflies to thrive.

e.g. Save water by turning off the taps when you brush your teeth. Using less water gives plants and trees more to drink

Choose a plastic pledge:

e.g. Sort the rubbish recycling at home carefully

e.g. use a refillable water bottle

Tell Blue Peter all about your three pledges and apply for your Blue Peter Green Badge on the BBC Blue Peter website! Send in any pictures, videos, artwork or poems etc.

To apply for a Green Badge you must:

Be between 6 – 15 years old.

Ask your parent or guardian for permission and ask them to read the [Privacy Notice](#).

There are over 200 attractions in the UK that give you free entry as a Blue Peter badge holder.
